RE: Filing In FCC's Localism Task Force Docket (RM-10803)

Dear Commissioners and FCC Staff,

On November 14, 2003, THE AMHERST ALLIANCE and 52 other parties filed Joint Written Comments in the Localism Task Force Docket (RM-10803). These Joint Written Comments placed within Docket RM-10803 the text of a Petition For Expedited Relief, Through Rulemaking, by the same 53 parties.

A signed original of this Petition For Rulemaking has been express mailed to the Office of the Secretary, along with a dozen hard copies, via the FCC's Capitol Heights facility. In addition, an electronic copy of the Petition has also been filed in the FCC's Docket for In Band On Channel (IBOC) Digital Radio (99-325).

In preparing the signatory pages, I failed to include one of the 53 Petitioning parties. The following person should be added on page 28 of the Petition (the 8th signatory page):

Dane Scott Udenberg
President, TUNE TRACKER SYSTEMS
For TUNE TRACKER SYSTEMS
Oconto, Wisconsin 54153

Please accept my apology for this error.

Respectfully,

Don Schellhardt
